

TechD Virtual Lunch and Learn: IBM vs. AWS Competitive Analysis

Thursday, April 7th | 1-2 PM EST
all attendees will receive an UberEats gift card

Please join TechD for our 2nd quarter webinar / lunch and learn featuring a comparison of IBM Watson Studio and AWS SageMaker. Lunch and Learn will be a combination of discussion, PowerPoint and demonstration. Join this online event and gain insights from TechD, hear best practices and success stories, and more! This event will provide you with the strategies and tools to evaluate solutions for your organization.

Agenda

- TechD's Real Life Experience with Watson Studio
- Watson Studio and AWS Feature and Function Comparison
- Competitor Analysis Takeaways, Questions and Answers
